Sanitaryware

ABOUT US

Orera Sanitaryware, based in Morbi - India's renowned ceramic hub- is recognized as one of the country's most trusted names in sanitaryware. Built on a strong foundation of trust, quality, and innovation, Orera delivers products that elevate modern living spaces with style and reliability.

With a wide and diverse product range including one-piece closets, water closets, floor-mount and wall-hung closets, wash basins, table-top basins, wash basin with pedestal sets, Orissa pans, urinals, and accessories, we serve homes, hotels, commercial spaces, and institutional projects across India.

• Every Orera Product Reflects : » Precision Engineering » Advanced Technology » Strict Quality Checks » Modern Aesthetic Appeal.

Our commitment to excellence has earned us the confidence of customers nationwide, as we continue to grow our presence across the country and expand towards global markets.

VISION

To become India's most admired & globally recognized sanitaryware brand, known for delivering world - class quality, innovative designs, & long-lasting performance that enhances everyday living. We aim to set new industry benchmarks while building an ecosystem rooted in trust, craftsmanship, & customer satisfaction.

MISSION

- Deliver Premium, Durable, & Stylish Sanitaryware With Advanced Technology And Strict Quality Standards.
- Innovate Continuously In Design, Functionality, And Sustainability.
- Build Long - term Trust Through Transparent Service And A Customer-first Approach.
- Expand Across India & Global Markets While Maintaining Top Product Excellence.
- Contribute To A Healthier, Hygienic, & Beautiful World With Thoughtfully Designed Sanitaryware Solutions.

ORERA[®]
SANITARYWARE

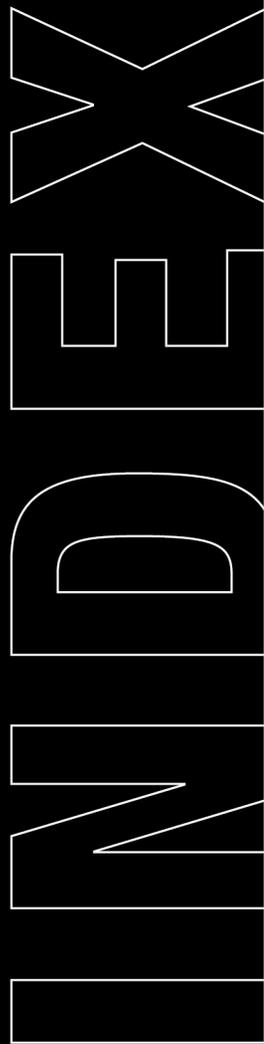

Essence of Luxury

Give your bath space a refreshing new identity with a touch of subtle luxury-crafted to reflect your unique style. Orera Sanitaryware stands as a name synonymous with elegance, innovation, and everyday functionality.

At Orera, we present a versatile, modern, and highly functional collection of bathware designed to elevate contemporary living. Our vision is to become a leading force in the sanitaryware market by offering products and solutions that blend aesthetic brilliance with practical excellence.

Each Orera design is created to harmonize beautifully with your space, enhancing both look and comfort. Our sanitaryware range showcases globally trending designs, refined silhouettes, and artistic strokes that redefine bathroom styling. With premium finishes that elevate the ambience, every product plays a vital role in shaping your dream bathroom. Crafted using advanced technology and precision processes, Orera products deliver exceptional quality, durability, and long-lasting satisfaction. With Orera, your bath space becomes a seamless expression of style, comfort, & innovation.

INSTRUCTIONS

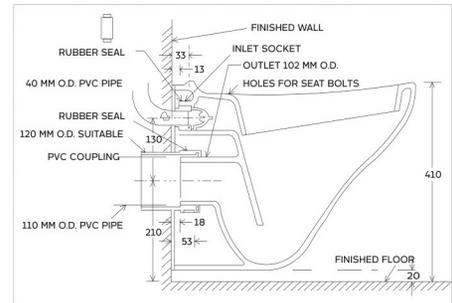

WALL HUNG BASIN

Fixing : the rag should be grouted into the wall using cement / concrete, (as shown) as per the distance between slots provided in the wash basin. The bolts should be fixed perpendicular to the wall. Allow cement / concrete to set. Check if the Rag bolts are firmly fixed. Fix the Wash Basin in the bolts using Nuts & Washer.

CONCEALED WALL HUNG

1. If the wall is going to be plastered for a thickness of 12 and a tile thickness of 6-7, the projection of the bolts from the finished wall should be 66 only.
2. If the thickness of plastering and tile is less than the dimensions mentioned above, the bolt that are supplied along with the bracket should be moved into the wall by using a suitable spacer washer between the bolt head and the bracket frame.
3. The bracket should be buried into the floor so that the height from the center line of the bolt to the surface to the finished floor is 320.

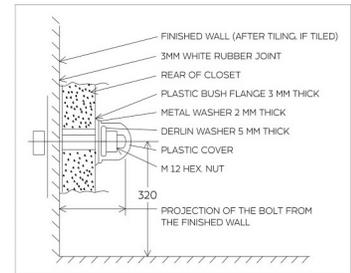

Rubber Seal

Delrin Washer

Plastic Bush Flange

COUNTER WASH BASIN

(A) Before You Begin

1. Due to typical nature of the installation, under counter basin should be installed by trained and experienced installers.
2. Inspect the waste and supply tubing if necessary.
3. Install the basin in such a way, that it's removal in future can be done freely and without damage.
4. Prior to installation unpack the new basin and inspect it for damage. Keep the product to its protective carton until it is ready to be installed.
5. Observe all local plumbing and building codes.

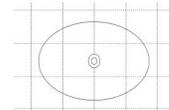

(B) Tools and Materials

1. Sealant, Pencil, Measure Tape, Sharp knife or scissors, Keyhole or saber saw, Drill (1/2 dia, drill bit or larger) glasses, Haer, Rage or paper toweling.
- NOTE: You may require different, more specialized tools to install this basin on counter top materials other than wood or wood components.

(C) Install the Basin

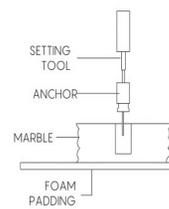

1. Check the desired lavatory location for clearance between the back splash, faucet, fixture and cabinet.
2. Cut out the template.
3. Carefully position and trace the templet on the counter top as directed on the templets.
4. Mark the faucet hole centerline on the counter top.
5. Drill a 1/2" pilot hole on the inside of the cut line.
6. Cut out the counter top opening with a saber or keyhole saw.

NOTE: Install the basin in such a way that it's removal in future can be done freely and without damage.

FOR WOOD COUNTER TOPS

1. Mark and per-drill the wood screw holes at the locations shown on the template.
2. Waterproof any exposed areas of wood.

FOR MARBLE COUNTER TOPS

1. Position the counter top upside down on foam padding to protect the surface. Mark and drill 3/16" holes 5/8" deep at the locations shown on the template.
2. Use a setting tool and haer to secure the anchors.

FOR ALL INSTALLATIONS

1. If the counter top has not been installed, install it as stated below.
2. Drill the faucet holes according to the faucet installation instruction.
3. Install the faucet to the counter top according to the manufacture's instruction.
4. Install the drain to the lavatory according to the manufacture's instruction.
